Such packets shall be endorsed Law Papers, Accounts, &c. as the case may require.

10.—It shall be at the discretion of the Post Master General, and of the Officers in charge of the subordinate Post Offices to forward by Dawk to Stations to which there may be no Banghy, parcels not containing letters and not exceeding 80 Rupees in weight at the Banghy rates of postage.

11.—Books printed at the Government Press for the benefit of the Male Asylum shall be forwarded by Dawk, or if practicable by Banghy, at the postage of a single letter, payable at the Stations to which they are directed.

By His Excellency The Commander in Chief.

HEAD QUARTERS: CHOULTRY PLAIN.

18TH SEPTEMBER 1823.

The following Extract from the Confirmed Proceedings of a General Court Martial assembled at Trichinopoly on the 5th day of September 1823, and continued by adjournments by virtue of a warrant from His Excellency General Sir Alexander Campbell, Baronet, and K. C. B. are published to the Army.

Private James Leslie of Captain Deane's Company, of His Majesty's Royal Regiment, was arraigned on the undermentioned charges, viz.

1st.—For an act of deliberate and atrocious Mutiny, for having when at Drill in a Squad under the command of Acting Corporal James Hunter of the Light Company of the Royal Regiment at Trichinopoly on the morning of the 19th August 1823, made use of the threatening expression, " no more of your, as you weres here, I'll blow your brains out."

2d.—For on the same occasion levelling and snapping a Firelock loaded with Ball Cartridge at Acting Corporal James Hunter, he being then in the execution of his Duty, which burned priming.

3d.—For having expressed his regret at his Firelock having missed or burned priming.

Upon which Charges the Court came to the following decision.

SENTENCE.—The Court finds the Prisoner guilty of all and several the crimes charged, which being to the prejudice of good order and military discipline, the Court does therefore by virtue of the Articles of War, Sentence and adjudge the said Prisoner Private James Leslie, His Majesty's Royal Regiment, to be shot to death with Musketry, at such time as His Excellency The Commander in Chief shall be pleased to direct.

APPROVED AND CONFIRMED.

(Signed) A. CAMPBELL,
General.

" It is always with great reluctance that His Excellency Sir " Alexander Campbell can be brought to confirm a capital sentence, but in " the present instance the character of the Individual stands so branded with " depravity, and from the abandoned and violent conduct of so many Men " belonging to the Royal Regiment, on whom ordinary punishment seems to have " lost its effect, that His Excellency feels compelled to Confirm and Order the " Sentence passed on Private James Leslie to be carried into execution, at such " time and place as shall hereafter be communicated by General Orders to the " Army on this Establishment.

" This Order is to be entered in the General Order Book, and " read at the head of every Regiment in His Majesty's Service on the Establishment " of Fort Saint George.

" By order of His Excellency Sir Alexander Campbell, Baronet and K. C. B."

(Signed) R. TORRENS, Lt. Col.

The Commander in Chief directs, that the Sentence awarded Private James Leslie, of His Majesty's Royal Regiment, shall be carried into execution on the morning of Tuesday the 7th of October next, in front of the Troops at Trichinopoly, agreeable to detailed instructions which will be furnished to the Officer Commanding at that Station, direct from Head Quarters.

General Sir Alexander Campbell, Baronet and K. C. B. with a view further to impress upon the minds of the Soldiery under his Command, the awful example His Excellency has been compelled to order, in the execution of Private James Leslie, His Majesty's Royal Regiment, is pleased to direct, that every European Corps, and Detachment on the Establishment shall be under Arms from 7 till 8 o'clock on the morning of the 7th October 1823, the period at which the Sentence is to be carried into execution, when the above Crime, Sentence and General Order shall be distinctly read twice to every Corps, and Detachment in front of the Parade.

The due execution of the above Order is to be reported to the Head Quarters of the Army through the regular channel.

The following Extracts from the confirmed Proceedings of an European General Court Martial assembled at Masulipatam, on Friday the twenty-seventh day of June 1823, by virtue of a Warrant from His Excellency General Sir Alexander Campbell, Baronet and K. C. B. Commander in Chief, are published to the Army.

Charges preferred against Lieutenant Edward Jardine, of the 1st Battalion 17th Regiment Native Infantry, by Major George Lancilot Wahab, Senior Officer in charge of the said Battalion.

1st.—For disobedience of orders in absenting himself from his duty, without leave, on the 16th, 19th, 23d, 24th, 26th, 27th, 28th, 29th, 30th, and 31st of May 1823.

2d.—For absenting himself from all Battalion duties from the 2d to the 14th of June 1823, without furnishing a Medical Certificate or assigning any reasons for such absence, his irregular conduct and neglect of duty during that period being occasioned by his intemperate habits.

3d.—For attending the Drill, on or about the 21st February 1823, in a state of intoxication; and again on or about the 20th of May following in the same state.

4th.—For being in a state of intoxication on or about the 14th of June 1823, when he sent for a Medical Officer for aid, and for frequently being in a state of intoxication between the 14th June and 8th July 1823, while in the sick report.

5th.—For addressing a disrespectful letter to the Adjutant of the Corps, for the information of the Commanding Officer, bearing date Masulipatam 13th July 1823, refusing to consider himself under arrest.

Such conduct being disgraceful to an Officer, subversive of good order and military discipline and in breach of the Articles of War.

Masulipatam, 14th July 1823.

(Signed) G. L. WAHAB, Major,
In charge 1st Bat. 17th Regt. Nat. Infantry.

By order of His Excellency The Commander in Chief.

(Signed) T. H. S. CONWAY,
Adjutant General of the Army.

The Court having most maturely weighed and considered the whole of the evidence brought forward in support of the prosecution, as well as what the Prisoner, Lieutenant Edward Jardine of the 1st Battalion 17th Regiment Native Infantry has urged in his defence, and the evidence in support thereof is of opinion,

That the Prisoner is guilty of the first charge.

That the Prisoner is guilty of the second charge.

That the Prisoner is guilty of the third charge.

The Court wishes to record that, in adjudging the quantum of punishment, it will not take into consideration such part of the third charge as refers to the 21st February 1823, as it appears, from the evidence on the prosecution, that Lieutenant Jardine has already been reprimanded for the offence in question, and, as a reprimand, being distinctly a military punishment, precludes in the present instance, a second adjudication for one and the same crime.

That the Prisoner is guilty of the fourth charge.

That the Prisoner is guilty of the fifth charge.

The Court having found the Prisoner Lieutenant Edward Jardine of the 1st Battalion 17th Regiment Native Infantry guilty as above stated doth sentence him to be Cashiered.

(Signed) H. P. KEIGHLY, Capt. Deputy Judge Advocate General.

(Signed) A. MONIN, Lt. Col. Madras European Regt. President.

APPROVED AND CONFIRMED.

(Signed) A. CAMPBELL,
General and Commander in Chief.

The General Court Martial of which Lieutenant Colonel Monin of the Madras European Regiment is President, is dissolved.

G. O. BY GOVERNMENT.

The Honorable the Governor in Council is pleased to publish the following copy of a General Order of the Supreme Government, and to direct that its provisions shall be considered in force at this Presidency.

General Orders by the Honorable the Governor General in Council.

FORT WILLIAM, 31st July 1823.

No. 83. A. of 1823.—1. A question having arisen as to the effect of Article 3d, Sec. 19, of the Articles of War of 1822, in excluding the Estates of Officers of His Majesty's Regiments serving in the East Indies from the operation of the Act of Parliament, under which the Registrar of the Supreme Court of Judicature is empowered and required to apply for Letters of Administration of the Estates of British Subjects dying intestate, the Governor General in Council, with a view to remove any doubt on the subject, directed a reference to be made to the Advocate General, whose opinion is to the following effect, viz. That the Article and Section above quoted cannot be legally held to bar the right of the Executor or Administrator, within the territorial possessions of the East India Company, to receive the surplus effects of a deceased Officer, after payment of his Regimental debts and expenses of interment; and that, it being a part of the public duty of the Registrar of the Supreme Court to apply for Letters of Administration of all British Subjects dying intestate within the territories subject to the Presidency of Fort William, the right in question generally devolves on that Officer.

2. In order therefore to afford the Registrar the most early and authentic information of the state of the assets of British Officers dying under such circumstances, the Governor General in Council directs, that the Presidents of the Committees which assemble on the demise of Officers *dying intestate*, whether in His Majesty's or the Honorable Company's Service, shall forward directly to the Registrar of the Supreme Court a copy, duly authenticated, of the Proceedings of the Committee as soon as they are closed.

3. For a definition of the words "Regimental Debts" and what are to be so considered, the Advocate General refers to the Act of the 58th year of the late King, Cap. 73, Sec. 1, which declares to be such—" All sums of " money due in respect of any Military Clothing, Appointments and Equipments, or " in respect of any Quarters or of any Mess or Regimental accounts, and all sums

" of money due to any Agent or Paymaster or Quarter Master or any other Officer " on any such account or on account of any advances made for any such purpose."

Adverting to the definition of "Regimental Debts" given above, any payments made by authority of Commanding Officers not coming within the intent and meaning of the Act will be at their own risk.

GENERAL ORDERS,

HEAD QUARTERS:

CHOULTRY PLAIN, 27th October 1823.

G. O. By the Commander in Chief.

The following Extracts from General Orders issued by His Excellency the Commander in Chief in India, are by His Excellency's orders published to the Army serving under this Presidency.

Extract from the Proceedings of a Native General Court Martial held at Barrelly on the 31st day of March 1823, in pursuance of and by virtue of a Warrant under the Hand and Seal of His Excellency General Sir Edward Paget, G. C. B. Commander in Chief of all the Forces in India, bearing date the 1st of March 1823, for the trial of Sew Lall Sing, Jemadar of the Barrelly Provincial Battalion and all such Prisoners as may be brought before it.

President;—Beekhan Khan Subadar, 1st Battalion 6th Native Infantry.

Officiating Deputy Judge Advocate General,—Captain Heptinstall, 2d Battalion 15th Native Infantry.

Interpreter,—Lieut. Boyd, 2d Battalion 15th Native Infantry.

CHARGE.—Sew Lall Sing, Jemadar Barrelly Provincial Battalion placed in arrest by order of His Excellency The Commander in Chief.

1st. For insubordinate conduct of a nature and tendency highly mutinous, in having advanced from the head of his Company while the Battalion was drawn out at a punishment parade, and expostulated with Major Hall, the Commanding Officer in the following unauthorized terms, "The Prisoner is a young Sepoy, forgive him," such expression (particularly as the Jemadar was a Member of the Court Martial, before which the Prisoner had been convicted) being calculated to impress the men of the Corps with an idea, that the punishment was originally harsh, or ought at least not to be inflicted.

2d. For having subsequently on the morning of the 10th ultimo persisted not only in refusing to make any apology to Major Hall, but likewise in denying that he had done wrong, when that Officer explained to him the impropriety of his conduct on Parade, and informed him that an admission of his error, and a promise of never being again guilty of a similar transgression, could alone preserve him, from being further proceeded against.

The whole or any part of such conduct being subversive of military discipline, and unbecoming the character of a Native Commissioned Officer.

(Signed) THOMAS HALL, Major,
Comg. Barrelly Provincial Battalion.

By order of Major General Thomas, C. B. Commanding the Cawnpore Division of the Army.

Cawnpore, 13th March 1823.

(Signed) J. C. B. PARKE,
Major of Brigade.

FINDING.—The Court having maturely and deliberately weighed the evidence in support of the prosecution, together with what the Prisoner Sew Lall Sing, Jemadar of the Barrelly Provincial Battalion has urged in his defence, is of opinion, that he is guilty of part of the 1st Charge, viz. " insubordinate conduct in having advanced from the head of his Company, while the Battalion was drawn out at a punishment parade, and expostulated with Major Hall, the Commanding Officer, in the following unauthorized terms, ' the Prisoner is a young Sepoy, forgive

'him,'" but the Court acquit the Prisoner of conduct "of a nature and tendency highly mutinous," and of every other part of the Charge.

The Court acquit the Prisoner of the second Charge.

SENTENCE.—The Court having found the Prisoner Sew Lall Sing, Jemadar, guilty of so much of the 1st Charge as is above enumerated, which being in breach of the Articles of War, does Sentence him to be suspended from Rank and Pay for five (5) calendar months.

Remarks by His Excellency The Commander in Chief.

Peculiar circumstances rendering it impossible to order this Court Martial to reassemble for the purpose of reconsidering their verdict, The Commander in Chief is reduced to the alternative of immediately recording his unqualified disapproval of their sentence.

His Excellency refrains from any observations upon the decision of the Court on the first charge, because he imagines that the direct viva-voce examination of witnesses must have afforded the Court a better opportunity of justly appreciating their several testimonies, than the perusal of a written record can; but with regard to the second charge, the Finding and Sentence are too much at variance to be passed over without comment.

It is clear that the Court must have entertained a very inadequate idea of the magnitude of the offence laid in this charge, for otherwise they must, in due regard to their oath after a verdict of guilty, have passed a very different sentence, whilst no imaginable motive strikes the Commander in Chief's mind as likely to have led a person of the Prisoner's rank and respectability to the commission of such a crime.

Doubts arise out of these considerations, to the benefit of which the Subadar is admitted, for in such a case, and with such doubts hanging upon it, His Excellency cannot reconcile it to himself to submit a Native Commissioned Officer to the degradation which would for ever attend the infliction of the sentence passed by the Court upon such a charge.

The General Officer Commanding the Division will be pleased to direct that these observations shall be explained to Meer Mahomed Ally, Subadar of the 2d Battalion 23d Native Infantry, who after being seriously admonished as to the necessity of circumspection in his future conduct, is to be released from arrest, and directed to return to his duty.

By Command.

G. MARLAY, Lieut. Col.
Military Secretary.

The Commander in Chief cannot publish the foregoing Extracts without adverting to the frequency of Native Officers, Non-Commissioned Officers and Rank and File being found to persist in acting in disobedience of the 18th Paragraph, Section 11 of the Standing Orders for a Battalion of Native Infantry; which His Excellency directs may be considered as a General Regulation of the Service, and read at the head of every Corps of Native Infantry on this Establishment, at three successive parades.

Any future neglect of this Order, will be considered as a breach of discipline, and punished accordingly.

The Commander in Chief has great satisfaction in publishing in General Orders the following Extract from a Report of a Board of Officers assembled at the Presidency, for the examination of Lieutenant Seton, Adjutant of the Golundauze Battalion of Artillery, with regard to his proficiency in the Hindoostanee Language.

" The attainments of Lieutenant Seton, in this branch of " study appeared to us of the very first description, his versions both from " English into Hindoostanee and from Hindoostanee into English were made " without a single mistake, and in the former task, (confessedly the more difficult " of the two,) the translation was not only faultless, but extremely elegant.—The " pronunciation of Lieutenant Seton was not quite so unexceptionable as we " had reason to expect from his written performances, but it was perfectly " intelligible---and we have no doubt but that he can execute with perfect facility " to himself, any duties of a colloquial nature that may be required from him, " in the situation of Adjutant."

His Excellency has had also the pleasure of receiving a Report from a Board of Officers assembled at Bellary, for the examination of Lieutenant Fryer of the 10th Regiment, and of Lieutenant Sparrow of the 13th Regiment, in their knowledge of the Hindoostanee Language.

The exactness, and facility with which Lieutenant Fryer performed the exercises given to him, and the success that attended his examination, reflects great credit upon his acquirements.

Lieutenant Sparrow is also entitled to praise for the great proficiency he has attained, and the unembarrassed display of his knowledge of the Language, when called upon to converse in it, which evinces the attention that Officer must have given to its cultivation.

The Commander in Chief has also received a very flattering Report from a Board of Officers assembled at Trichinopoly for the examination of Lieutenant Bell of the 14th Regiment, with regard to his proficiency in the Hindoostanee Language, which declares that Officer's " acquirements to be of the very first order."

Gunner Thomas Cameron of the 1st Battalion of Artillery, is transferred to the Effective Supernumeraries as a Private, and appointed Clerk to the Chaplain at Cannanore.

The undermentioned Officers have obtained Leave of Absence from their Corps and Stations.

GENERAL ORDERS,

By His Excellency The Commander in Chief,

HEAD QUARTERS: CHOULTRY PLAIN.

7th November 1823.

The following Extracts from the confirmed Proceedings of an European General Court Martial assembled at Bangalore, on Friday the twenty-fourth day of October 1823, by virtue of a Warrant from His Excellency General Sir Alexander Campbell, Baronet, and K. C. B. Commander in Chief, are published to the Army.

CRIME.—Charges preferred against Lieutenant J. C. Glover of the 2d Battalion 3d Regiment Native Infantry by Lieutenant Colonel C. Bishop, Commanding the same Corps.

1st. For insubordination, and contumacious conduct, tending to disturb the harmony of the society of the Corps, in having made use of an expression in an official Letter, addressed to me, as Officer Commanding the 2d Battalion 3d Regiment Native Infantry, under date July 2, 1823, derogatory to, and being an injurious aspersion cast on the character and conduct of the Officers of the Battalion Mess, and which letter was forwarded to, and received by me, on the 26th July 1823.

2d. For having in the instance specified in the above Charge, committed a breach of military discipline, and been guilty of disrespectful conduct towards me, his immediate Commanding Officer; he being aware not only that I belonged to the Mess and consequently that his aspersion must allude to me in common with the rest of the Officers of the Mess; but having had it officially communicated to him, that I had sanctioned the measures adopted by the Officers of the Mess.

3d. For conduct tending to encourage other Officers, and in particular " Ensign George" in adopting the same line of conduct, and mode of address, as specified in the foregoing Charges.

Bellary, 27th July 1823. (Signed) C. BISHOP, Lieut. Col. Comg. 2d Battalion 3d Regiment.

By Order.

(Signed) T. H. S. CONWAY, Adjutant General of the Army.

OPINION and SENTENCE.—The Court having well and maturely weighed and considered the evidence adduced on the Prosecution, as well as what the Prisoner Lieutenant J. C. Glover, 2d Battalion 3d Regiment Native Infantry, has urged in his defence, is of opinion, with respect to the 1st Charge, that he, Lieutenant Glover, is guilty of having written a letter, dated July 2d, A. D. 1823, addressed to Lieutenant Colonel Bishop, Commanding 2d Battalion 3d Regiment Native Infantry, which letter contained the following paragraph, viz. " I have further to request you " will exert your authority, to enforce the delivery of the sum so " unjustly withheld from me, by the Members of the Mess"—And which paragraph, in the opinion of the Court, amounts to disrespect to Lieutenant Colonel Bishop, as Commanding Officer of the Battalion, and also to the majority of the Officers, generally composing the Mess; but that it does not amount to the other imputations, charged on it.

With respect to the 2d Charge, the offence therein alluded to, being included in the finding on the 1st Charge—The Court has expressed their opinion thereon, by the finding on that Charge.

With respect to the 3d Charge, the Court acquits the Prisoner, fully and honorably of the same.

The Court having found the Prisoner Lieutenant J. C. Glover, 2d Battalion 3d Regiment Native Infantry, guilty of disrespect, as above;

and which disrespect the Court feels to have originated in an error of judgment, does by virtue of the Articles of War, sentence, him the said Lieutenant J. C. Glover, 2d Battalion 3d Regiment Native Infantry, to be admonished in such manner, as His Excellency The Commander in Chief may think fit.

(Signed) JOHN GIBSON, Captain
Deputy Judge Advocate Genl.

(Signed) THOMAS HAWKER, Colonel,
Lieutenant Colonel 13th Regiment
Light Dragoons, President.

DISAPPROVED.

(Signed) A. CAMPBELL, General
and Commander in Chief.

The Commander in Chief has disapproved the sentence of the Court Martial, of which Colonel Hawker of His Majesty's 13th Regiment Light Dragoons is President, on the trial of Lieutenant Glover of the 2d Battalion 3d Regiment, it being incompatible with reason to suppose, that an Officer found guilty of "disrespect to his Commanding Officer and the majority of the Officers "composing the Mess," is likely to benefit by admonition; or is the example commensurate with the offence, more particularly in the instance of an Officer, who has made a defence, such as is exhibited by Lieutenaat Glover, replete with disrespectful expressions, and insubordinate principles.

Lieutenant Glover is released from his arrest, and will return to his duty.

Captain Conway of the 4th Regiment N. I. is appointed to do duty with the 2d Native Veteran Battalion, and to Command the Detachment of that Corps, at Nellore.

Captain B. Baker is removed from the 2d to the 3d Veteran Battalion, and is directed to join the Detachment of that Corps at Condapilly under the Command of Captain Spry.

Captain R. Bower recently transferred to the Invalid Establishment, is posted to the 4th Native Veteran Battalion, and directed to join the Detachment of that Corps at Negapatam.

Lieutenant W. Grey of the 1st Battalion 11th Regiment, will do duty with the 2d Battalion 7th Regiment until further orders.

26th November 1823.

Whenever the Finding and Sentence of a Native General Court Martial is published to the Army, the Commander in Chief expects, that Commanding Officers of Native Regiments and Battalions will not content themselves with barely having the same read at the head of their respective Corps. They must use their best endeavours, through the medium of their Interpreters, to cause the whole subject, including the Commander in Chief's decision and remarks, to be fully understood at least by the Native Officers. This is to be considered as

a Standing Order of the Service, and to be entered in the Book of General Regulations with each Corps.

The undermentioned Officers have obtained Leave of Absence from their Corps and Stations.

CHARGES—1st. For conduct incompatible with the duty of an Officer, in traducing the Government under which His Majesty's orders had placed him, by describing and characterising a public resolution, and measure of that Government relative to Lieutenant Colonel Robison as a Military Officer, "as an unwarrantable tyrannical exercise of authority, which "reduces every Officer in India to a state of slavery equal to that of the "Gentlemen in the Russian service," the above malignant expressions forming part of the first paragraph of a Letter, dated 9th June 1822, addressed, and sent by Lieut. Colonel Robison to, and received by the Chief Secretary to the Supreme Government, and in which, instead of offering any explanation of his conduct, or soliciting any redress, he declares that, "he does not entertain the smallest hope of justice or "redress, from a Government capable of acting as the Government (as "he therein alleges) had acted towards him."

2d. For having pointed insulting and scandalous remarks at the head of the Supreme Government, who was at the same time Lieutenant Colonel Robison's Military Commander in Chief, in the eighth paragraph of the above letter, and in particular, in stating that he hoped the head of the Government would promulgate that, it "is resolved to "turn any Officer out of the Country at 24 hours' notice, who dares to "publish a single comment or sentiment upon public affairs displeasing "to them, no matter what motives actuated him; if the Government "fancy it contains the least offensive matter, the writer shall be turned "out of his House and Quarters like a Dog with the mange at the point "of the Bayonet, and left, sick or well, ready or not ready, to march off "and embark for Europe if the Sea Coast be 700 miles distant."

3d. For abusive and grossly insubordinate language applied to and highly reflecting on the Commander in Chief in the 10th and 11th Paragraphs of the above Letter, charging the Commander in Chief with "taking to himself the peculiar merit of inflicting on him (Lieutenant Colonel Robison) truly despotic, degrading and inhuman measures," and accusing The Commander in Chief of more inconsistencies, acts of injustice, and barefaced abuses of power and patronage during his command of the Army in India, than are to be found in the annals of Military Transaction for fifty years before he came out to India.

FINDING AND SENTENCE.—"The Court having maturely weighed and considered all that has been adduced in support of the prosecution, as well as what has been brought forward on the defence, are of opinion, that the Prisoner Lieutenant Colonel William Robison of His Majesty's 24th Regiment, is guilty of all and every part of the Charges preferred against him, with the exception of the word "scandalous" contained in the second Charge, of which they do therefore acquit him.

"The Court having found the Prisoner guilty as above specified, do therefore adjudge him, the said Lieutenant Colonel William Robison, to be reprimanded in such manner as the Officer approving this sentence may think proper.

"The Court are induced to award this lenient sentence in consequence of Lieutenant Colonel Robison's long and meritorious services, and the high character which he has produced on his defence from the late Governor General as a Confidential Servant of Government."

Maj. General and President.

DISAPPROVED.
(Signed) HASTINGS.

I have the King's Commands to acquaint you, that His Majesty, adverting to the nature of these proceedings, and to the character of the charges of which Lieutenant Colonal Robison was found guilty, has felt it necessary, notwithstanding the death of that Officer, which occurred upon his passage to England, to order me to convey to you such observations upon the circumstances which produced the trial and upon the Proceedings of the Court, as may impress upon the Army in India, a more correct feeling than it is apprehended may be entertained by them (if the proceedings in question are allowed to remain unnoticed) of the importance which attaches to the maintenance of discipline and subordination, and of the necessity of checking attempts made by inferior Officers to set the highest authority at defiance, and grossly to insult those who administer Command in His Majesty's name.

The King was pleased to observe, that it would be difficult to produce any instance in which a spirit of insubordination and of contempt for superior authority has been carried to a greater length than upon this occasion, or any instance in which the sentence of the Court Martial has been more calculated to encourage rather than to prevent the recurrence of crimes of so grave a nature and of so dangerous a tendency.

That this is shewn by simple reference to the Charges, which are

literal extracts from a letter addressed by Lieutenant Colonel Robison to the Chief Secretary of the Supreme Government in India, remarking at the same time, that these Charges were not only not denied, but that the contents of them were attempted to be justified by Lieutenant Colonel Robison, and that the criminal nature of them was established against Lieutenant Colonel Robison by the sentence of "guilty" pronounced by the Court.

That Lieutenant Colonel Robison's rank and long service instead of being brought forward in justification of the "*lenient*" sentence passed by The Court would seem to have offered additional ground of censure, in as much as The Court must have been aware, that the influence of such conduct upon others must ever be proportionate to the deference paid to the rank and character of the individual—That individual had, by deliberate acts, wholly inconsistent with the duties of his profession and with the trust reposed in him, subjected himself, in the first instance, to a strong censure passed by the Government of India and to the consequent order for his immediate departure from that country;---in the next to trial before a General Court Martial on charges resulting from his obstinate adherence to the unjustifiable course which had drawn upon him so deserved and so necessary a censure.

His Majesty Commands me to say, that he cannot reprobate in terms sufficiently strong, the extraordinary and culpable latitude and license which Lieutenant Colonel Robison had permitted himself to assume in his communications, whether as conveyed to the Press and avowed by him, or as addressed to the official authorities; the first, shewing a determination to bring into public contempt and to thereby subvert that Government under which he was employed in the command of an armed force; the second, deliberately setting at defiance all authority, Civil and Military, and tending to the destruction of those principles of military subordination, which it is the first duty of an Officer to support and to inculcate by example and precept.

The King was further pleased to observe, that if such proceedings were tolerated, if they were not most decidedly checked, the troops intended for the protection of the State would, in the hands of men disposed to resort to them, or to sanction them, become the active engines of its destruction.

That nevertheless, the Officers composing the Court Martial which tried Lieutenant Colonel Robison, who were sworn therefore to decide upon the charges brought against him, according to evidence, without partiality or favor, and according to their consciences, have thought fit, in the discharge of the duty thus solemnly imposed upon them, deliberately to pronounce Lieutenant Colonel Robison guilty of traducing the Government under which he was serving, and of falsely imputing injustice and abuse of power to The Commander in Chief---and at the same time to declare under the same solemn obligation, that there was, in their opinion, nothing *scandalous* in such guilty conduct---and that the Court having in administering justice according to their oaths, found Lieutenant Colonel Robison guilty of the charges preferred against him, have placed beyond the possibility of doubt, the sense which they entertain of the extent of the Crime, by applying to it only a reprimand of the slightest character.

Finally---The King, deeply impressed with the dangerous tendency of this extraordinary proceeding, has been pleased to Command me to express his strongest disapproval of the Sentence of the Court and of the feeling by which the members of it must have been actuated in their Finding upon this occasion, and in passing so inadequate a sentence, and His Majesty directs that the sense which he entertains of the whole of the proceedings may be promulgated to the Army in India, in confirmation of the sentiments expressed in a General Order issued by General the Marquis of Hastings when he directed the Court to be dissolved.

I am, &c.

(Signed) FREDERICK, Commander in Chief.

Remarks by His Excellency the Most Noble The Commander in Chief, dated General Orders 9th November 1822.

The Commander in Chief of all the Forces in India disapproves

of the above Sentence from considering it to be so incommensurate to the Crime found by the Court, and not disavowed by the Prisoner, as to be, in His Excellency's opinion, a serious attaint to discipline.

The Court exonerating the Prisoner only from the imputation of "scandalous" attached to the procedure set forth in the second Count, pronounces Lieutenant Colonel Robison guilty of two offences; one being an outrageous insult to that Government, which under the orders of his Sovereign he was bound to reverence and obey; the other being a virulent and gross crimination of the Commander in Chief, applying unequivocally to His Excellency's official conduct in that character. Then, to such flagrant violations of military subordination, the Court awards a punishment appropriate solely to the lowest class of deviations from military regularity.

To account for the extraordinary nature of the Sentence, the Court states its advertence to Lieutenant Colonel Robison's long and meritorious services—The consideration was not within the competence of the Court in the mode assumed. If such were the Court's opinion of Lieutenant Colonel Robison's professional deserts, it would have been fitly brought forward with a recommedation grounded on it to clemency, in the quarter where alone the circumstances could be duly appreciated. But the oath which each Member of a Court Martial takes, binds him to judge strictly on the substantiation, and the degree of the crime submitted to his verdict, and to pass such a sentence upon it, as the established rules, or practice of the Army prescribe in a special case of that quality, without contemplating matter foreign to the immediate charge.

In this instance the Court could not be blind to the magnitude of the transgression, and the extenuation was null.

When the Prisoner admitted the imprudence and impropriety of the step he had taken, he expressed no contrition, so that his sense of error appears to have extended merely to the consequences of which he supposed himself to be in peril. He simply accounts for the intemperance of his language, by saying, that he had written under the impulse of an irritated spirit, an excuse inadmissible in itself—while he defeats even that plea by distinctly maintaining the principle on which he acted, in a manner that aggravates the original offence.

It is with pain The Commander in Chief of all the Forces in India promulgates these remarks He would however, deem himself essentially wanting in the discharge of his duty, did he not seek to counteract the dangerous encouragement to insubordination, which the sentence in question would afford, were not its incorrectness thus exposed.

The Commander in Chief has also been pleased to direct, that the following General Order be published for the information of the Army.

Horse-Guards, 30*th April* 1823.

At a General Court Martial held at *Brimstone Hill, St. Christopher's*, on the 20th November 1822, and continued by adjournments to the 2d December, following, *Brevet Major Andrew Wilder*, Captain in the 35th Regiment of Foot, was arraigned upon the undermentioned Charges, viz.

1st. "For scandalous and disgraceful conduct unbecoming the "Character of an Officer and a Gentleman, in conducting himself in a "most riotous and disorderly manner, in or near the Mess Room, on the "night of the 2d of July, 1822, and striking, or attempting to strike, or "kick *Lieutenant William Macalister*, on the Half-Pay of the 35th "Regiment, Private *William Loader* (the Mess Waiter) and *Anne Loader*, "his wife".

2d. "For conduct unbecoming the Character of an Officer and "a Gentleman, in behaving in a riotous and disorderly manner, on the

"night of the 3d of July, 1822, in or near the Gallery of the Quarters "occupied by *Captain Henry Thomas Rutherford*; and other Officers, of "the 35th Regiment, and Challenging any Officer to turn out, saying "'he was their man,'" or words to that effect, to the annoyance of the "Officers, and the distrubance of their Families residing in the said "Gallery: such Conduct tending to lower himself as an Officer in the "Opinion of the Men, and thereby destroying the Discipline of, and "respect due to the Service."

Upon which Charges the Court came to the following decision:

"The Court having separately, and maturely, and deliberately "weighed and considered the Evidence adduced on the part of the Prosecutor, "as well as what has been offered by the Prisoner in his Defence, is of opinion as "follows, viz.

"That the Prisoner *Brevet Major Andrew Wilder*, Captain in "the 35th Regiment of Foot, is *Guilty* of the First Charge, with the exception of "that part of it, which relates to the striking *Lieutenant William Macalister*, of the "Half Pay of the 35th Regiment, no proof having been brought forward to "establish that fact.

"With respect to the Second Charge, the Court is of opinion "that the Prisoner, *Brevet Major Andrew Wilder*, Captain in the 35th Regiment "is *Guilty* of the whole and every part thereof.

"The Court having thus found the Prisoner *Brevet Major* "*Andrew Wilder*, Captain in the 35th Regiment *Guilty* of the First Charge, with "the exception of that part of it referred to, and to the full extent of the Second, "the same being in breach of the Articles of War, doth sentence and adjudge him, "the said *Brevet Major Andrew Wilder*, Captain in the 35th Regiment, to be "*discharged His Majesty's Service.*"

"The Court having performed a duty it was incumbent on it "to do, most humbly begs leave, in consideration of the length of Service of "*Brevet Major Wilder*, of his having been wounded at the Battle of Maida, the "consequent impression on the minds of the Court, from the wound having been "in the head, that a very small portion of Wine may affect him, as also the "destitute situation in which his wife and Family will be pluuged, to recommend "him to the most gracious clemency of His Majesty."

"The Court cannot close its Proceedings without adverting to "their extraordinary length, solely to be attributed to the multiplicity of questions "which it has been compelled to ask, in consequence of the vague and "contradictory answers given by Officers, from whose rank and situation they "had a right to expect clear and unbiassed testimony."

"The Court must remark upon the Evidence given by "*Lieutenant Dewson* of the 35th Regiment, which in its opinion was evasive, with "much difficulty extracted, and with equal difficulty recorded."

"However painful it may be to animadvert upon the conduct "of an old Officer, the Court feels itself imperatively called upon, and cannot "consistently with its duty withhold its strongest displeasure and indignation at "the conduct of *Brevet Major Edgeworth*, 35th Regiment, from the commencement "of this unfortunate business; in the first place making a totally unfounded "report to his Commanding Officer, by misleading him altogether as to the "transaction of the evening of the 3d of July, in his Letter of the 5th of that month, "(No. 15) which must, undoubtedly, have prevented *Lieutenant Colonel* Macalister "from acting with the promptitude which might have otherwise been in his "power, and which certainly would have prevented many of the unpleasant "matters which appeared upon these proceedings; but the Court spares itself "the additional pain of commenting upon the inconsistency of this Officer's "Evidence with his report, or with common sense, feeling convinced it must be "too obvious not to forcibly attract the attention of higher Authority."

His Majesty was pleased to approve and confirm the Finding and Sentence of the Court:—But in consideration of the recommendation of the Court, His Majesty was graciously pleased so far to extend his clemency to the

Prisoner as to allow him, *Brevet Major Wilder*, to receive the regulated value of his Regimental Commission.

The King was further pleased to command, that, in consequence of the evasive and objectionable manner in which *Lieutenant Dewson* appears on the face of the proceedings to have given his testimony, His Majesty's displeasure should be marked by the immediate *removal of that Officer from the 35th Regiment to the Half Pay of his rank;* and that, in consideration of the circumstances set forth in the proceedings, together with the observations of the Court thereon, affecting the conduct of *Brevet Major Edgeworth*, His Majesty was also pleased to command that the said *Brevet Major Edgeworth* should be *removed from the Service*, receiving the regulated value of his Regimental Commission.

His Majesty was pleased to observe, that the facts which have been proved before the Court, and have led to the dismissal from the Service of one old Officer, the removal of another old Officer, and the placing upon Half-Pay of a third of inferior rank and service, appear alike disgraceful to the character of the Officer and the Gentleman, and that His Majesty could not reprobate in terms sufficiently strong, such shameful habits of intemperance as have been evinced in the Case of *Brevet Major Wilder*, habits which must ever produce scenes of riot and disorder, prejudicial to the discipline of a Corps; inasmuch as by exposing the individual concerned in them, to the contempt of his inferiors, and thus effectually destroying every claim to confidence, they deprive him of that authority which cannot be properly supported, unless it be founded upon due respect for character and conduct.

The circumstances upon the face of the proceedings appearing to justify the strong observations of the Court upon the conduct of *Brevet Major Edgeworth*, His Majesty had no alternative than to support the well-being of the Service, by visiting that Officer with a strong mark of his displeasure; who forgetful of his rank and long service, appears to have entirely lost sight of what he owed to his own character, and to the credit of his Regiment, in failing to check the disorderly conduct of those subordinate to him; and in misleading his Commanding Officer by an unfounded report of the disgraceful transaction of which he was an indifferent spectator.

With regard to *Lieutenant Dewson*, His Majesty was pleased to express a hope, that the mark of displeasure with which he has also found it necessary to visit that Officer's conduct, will be received as a general caution, that a witness giving Evidence upon Oath before a Court of Justice, is bound by the most solemn obligation to give the Court, in answering the questions put to him, the fullest and most unreserved information in his power; and that evasive and reluctant answers on the part of a witness, being totally inconsistent with an obligation to speak the truth, and the whole truth, must, in all cases, when brought under His Majesty's notice, subject such witness to the consequence of a course of conduct so highly improper.

His Royal Highness the Commander in Chief directs, that the foregoing Charges against *Brevet Major Andrew Wilder*, Captain in the 35th Regiment, together with the Finding and Sentence of the Court, and His Majesty's pleasure thereon, shall be entered in the General Order Book, and read at the head of every Regiment in His Majesty's Service.

By Command of His Royal Highness The Commander in Chief,

HENRY TORRENS, *Adjutant General.*

The Commander in Chief has great pleasure in publishing to

the Army the following letter from the Committee for the examination of Officers in the Hindoostanee Language.

To His Excellency General
Sir Alexander Campbell, *Baronet and* K. C. B.
Commander in Chief, &c. &c &c.

Sir,—Cornet Garstin of the 2d Regiment Light Cavalry having appeared before us, for examination with regard to his proficiency in the Hindoostanee Language, agreeably to your Excellency's instructions, conveyed in the Adjutant General's letter of the 28th ultimo, we have the honor to report that the result has been entirely satisfactory.

The usual papers having been given to Cornet Garstin, for translation, we have great pleasure in stating that his execution of them reflected the highest credit on his talents and assiduity. In his English Version he gave the complete sense of the original; and his Hindoostanee translation was so perfect that neither ourselves nor the Moonshee who assisted us in the examination could discover a single error of either Orthography or Grammar in the whole composition. The latter performance was indeed distinguished by an elegance and purity of style much beyond the ordinary standard, and which could have only been the result of long and attentive study of the best models—Mr. Garstin's hand writing is very good, his pronunciation clear and accurate; and we have no doubt but that he is fully competent to discharge, with credit to himself, and satisfaction to his superiors, the duties of either Translator or Interpreter in any situation, in which such qualifications may be required.

We have the honor to be, Sir,
Your Excellency's very obedient humble Servant.
(Signed) J. LEITH,
R. B. OTTO.

Fort St. George, 8th Dec. 1823.

Cornet Garstin having passed so creditable an examination, his Excellency has not hesitated to recommend him to Government, to fill one of the vacant Regimental Staff employments in the Corps to which he belongs.

Captain S. Townsend is removed from the 2d to the 1st Battalion of the 15th Regiment, and Captain J. Noble from the 1st to the 2d Battalion of the same Regiment.

Lieutenant C. Farran of the 6th Regiment, is appointed to do duty with the 2d Battalion 15th Regiment, until further orders.

Medical Pupils James Cross and Henry Richardson, are posted, the former to the Detachment of the Horse Brigade at Bangalore, and the latter to the Garrison Hospital at Poonamallee.

15th December 1823.

The following Native Promotion and Appointment are ordered.

Ensign W. Duncan of the 1st Battalion 25th Regiment, has permission to proceed to the Presidency, for the purpose of taking a passage by sea to Goa, in order to rejoin his Corps.

17th December 1823.

The following General Order issued to His Majesty's Troops, serving under this Presidency, is published for the general information of the Army.

HEAD QUARTERS:

GENERAL ORDERS. MADRAS, 6th December 1823.

At a General Court Martial held at Bangalore on the 12th day of November 1823, Private John Stevenson of His Majesty's 13th Regiment of Light Dragoons was arraigned on the following charges, viz.

First.—" With having been two days absent from his Regiment without leave."

Second—" For having on the 12th October immediately after " his return from absence, as above stated, discharged a Pistol loaded with " powder and some Copper Coin, at, and severely wounded, Serjeant John Allen " of the same Corps, who was then in the execution of his duty, and with an intent, " as he Stevenson has since declared, to kill the abovenamed Serjeant."

Upon which charges the Court came to the following decision.

SENTENCE —The Court having well and maturely considered the " whole evidence brought before it, finds the Prisoner Private John Stevenson, " Captain Maclean's Troop His Majesty's 13th Light Dragoons, guilty of all and " every part of the charges preferred against him, which being subversive of all " discipline and in breach of the Articles of War and in particular of the 5th " Article of the 2d Section of the Articles of War for the better Government of " all His Majesty's Forces, does therefore by virtue of the said Rules and Articles " of War, sentence him, the said prisoner, Private John Stevenson, to be shot to " death with small arms, at such time and place as His Excellency the Commander " in Chief may think fit to direct.'"

APPROVED AND CONFIRMED.

(Signed) A. CAMPBELL, General,
Commander in Chief.

General Sir Alexander Campbell, at the unanimous recommendation of the Court Martial, remits the sentence of death so justly awarded to Private John Stevenson, although his crime is of such enormity in a military point of view, as hardly to justify such lenity towards him.

The general good conduct of the men of the 13th Regiment Light Dragoons not calling for so serious an example as the execution of one of their number, has weighed strongly in the General's mind to extend mercy to the Prisoner—and to commute the punishment awarded him to " Transportation as a Felon for life to New South Wales."

The Prisoner John Stevenson is to be immediately forwarded under an escort to the Depot at Poonamallee, there to be confined until he is delivered into the custody of the Civil Power.

This Order is to be entered in the General Order Book, and read at the head of every Regiment in His Majesty's Service on the Establishment of Fort St. George.

G. O. By Government.

Pensions to Officers, Officers Widows and Out-Pensioners of Chelsea Hospital.

The Honorable the Governor in Council deems it expedient to direct that, with the exceptions noted in the margin, all Abstracts of European and Native Pensioners of this Presidency, shall be authenticated by the Superintendent of Pensions before payment.

All Officers to whom the duty attaches of drawing the allowances of the Pensioners above referred to are accordingly to transmit their Abstracts accompanied by Muster Rolls, to the Superintendent of Pensions as soon after the 1st of each month as may be practicable; and it will be the duty of that Officer to compare them with his Register, and to certify each Abstract on the face thereof in the following manner.

Certified that the Pensions included in this Abstract amounting to Rupees ——— correspond with the Register kept in my office.

(Signed) R. S.
Superintendent of Pensions.

or, otherwise, to note at foot of the Abstracts in what respect they may be incorrect and the Superintendent is directed to return the Abstracts, so certified or noted to the parties by whom they are forwarded, with the least possible delay.

The Superintendent's certificates are, however, to be considered as applicable only to the name, rank, and amount of the allowance drawn for each individual, the correctness of the Abstracts in other respects, as regards additions, and calculations, period of Arrear, prescribed Vouchers, double charges, &c. remaining as hitherto, subject to the Paymaster's examination, and ultimate check of the Office of Audit.

On the correction of an Abstract noted objectionable it is not to be referred a second time to the Superintendent, but to be presented to the Paymaster who will examine it with reference equally to the Superintendent's remarks, as to the general Regulations under which such Payments are now made, and if found unobjectionable, the Abstract is to be discharged, otherwise to be referred to the Military Auditor General before payment, under the provisions laid down in Page 335 of the Code of Pay Regulations.

The Reports of Casualties of Pensioners now furnished by the Superintendent to the Military Auditor General are to be discontinued.

D. Barclay, Adjutant 2d Battalion 12th Regiment in the Hindoostanee language.

" Lieutenant Barclay executed a translation from Hindoostanee into English with that degree of readiness and accuracy that induced the " Board to suggest his undertaking the more difficult task of translation from " English into Hindoostanee, and they selected accordingly a short Fable for that

" purpose—This translation, though not entirely free from error, was in its " general character, such, as to evince a very considerable knowledge of the " language, and in more than one instance the mode of expression adopted, " shewed a familiar acquaintance with, and command of its idiom —The Board " had likewise the satisfaction to find that Lieutenant Barclay expresses himself " in Hindoostanee with fluency and correctness, and writes a remarkably good " hand."

The Commander in Chief has great pleasure in publishing to the Army the following extracts from letters received from Committees assembled at the Presidency and Secunderabad, for the examination of Officers in the Hindoostanee language.

From the Committee assembled at the Presidency.

2d Bat. 6th Regiment. "We have great pleasure in stating that the result has been, "on the whole extremely satisfactory, for, although we de- "tected some passages in Lieutenant Harding's English "Version, in which he had not literally rendered the original, yet his translation "was true to the general sense; and we are willingly to attribute the above tri- "fling inaccuracies to the circumstances of the task submitted to him being in "the Dukunnee Idiom, instead of the Oordoo, the dialect in which he appears to "have been instructed.—Of that dialect he exhibited a very favourable specimen "in his Hindoostanee translation, which was executed in a manner deserving of "high commendation.

"For the colloquial part of the examination, Lieutenant "Harding appeared to still greater advantage, conversing with great fluency and "command of language, and with a justness of pronunciation, which we consi- "der quite unexceptionable, and of very rare attainment, and we have no hesi- "tation in stating in conclusion, that we consider him competent to discharge the "duties of an Interpreter, whenever his services may be required for that purpose."

From the Committee assembled at Secunderabad.

3d Regt. Light Cavalry. "The style of Lieutenant Bullock's version from English "into Hindoostanee was remarkably pure, idiomatical, and "for the most part elegant; his translation from Hindoo- "stanee into English though not entirely faultless, sufficiently indicates his ex- "tensive acquaintance with the language.

"Mr. Bullock's conversation though fluent and unembarrassed "was not quite so unexceptionable as we were led to expect from the masterly "style which characterized his translation from English into Hindoostanee.

"The Board however conceive that Mr. Bullock has attained "a very considerable degree of proficiency in the Hindoostanee language.

2d Bat. 16th Regiment. "The exercises of Lieutenant Rudiman, were performed "with considerable accuracy, particularly his translation "from English into Hindoostanee which was distinguished "for its justness of idiom, grammatical excellence, and the beauty of the "(Nustalik) character in which it was written.

"The fluency and remarkable correctness with which Mr. "Rudiman conversed fully corresponded with his written performances, and "reflects the highest credit on his talents and capacity."

The leave of absence granted to Lieutenant H. B. Williams Quarter Master and Interpreter, 3d Regiment Light Cavalry, in General Orders of the 26th November last, to visit the Presidency, was on sick certificate.

The remaining portion of the leave granted to Lieutenant and Cantonment Adjutant Wallajahbad, J. G. Mitford, in General Orders of the 5th December last to visit the Presidency, is cancelled from the 12th Instant, at that Officer's request.

The Committee assembled at the Presidency, of which Captain A. H. Johnston, 6th Regiment Light Cavalry is President, is dissolved.

12TH JANUARY 1824.

Ensign G. W. Moore is removed at his own request, from the 16th to the 3d Regiment, in which Corps he will rank next below Ensign Beevor.

Ensign Moore of the 3d Regiment is posted to the 1st Battalion.
